## Exemption Data

Property owners may qualify for a variety of exemptions as provided by the Texas Property Tax Code.

### Residential Homestead

The following chart represents the total exemption amounts granted to homeowners who qualify for this exemption on homes with a maximum of 2 acres.

Jurisdiction	General Homestead	Over 65	Over 55 Surviving Spouse	Disability	100% Disabled Veteran
Culberson County	\$5,000	\$3,000	N/A	N/A	100%
Culberson-Allamore ISD	\$25,000	\$10,000	N/A	\$10,000	100%
Town of Van Horn	N/A	\$3,000	N/A	N/A	100%
Culberson County Groundwater Dist	N/A	N/A	N/A	N/A	100%
Culberson County Hospital District	N/A	N/A	N/A	N/A	100%

For school tax purposes, the over 65, disability, surviving spouse and 100% disabled veteran residential homestead exemptions create a tax ceiling prohibiting increased taxes on the homestead of existing improvements. The tax ceilings are adjusted if new improvements are added to the existing homestead.

Homeowners qualifying for the residential homestead exemption receive a **homestead cap** that limits the increase of **taxable value** on the homestead to ten percent per year.

### Disabled Veterans

In addition to the residential homestead exemption allowable to disabled veterans with 100% service connected disability, disabled veterans are allowed a general exemption on any property they own based upon the percentage of disability rating determined by the Department of Veteran's Affairs. Current exemptions based on these ratings are:

Percentage Disability	Exemption Amount
10-30%	\$ 5,000
30-50%	\$ 7,500
50-70%	\$10,000
70-100%	\$12,000

### SIGNIFICANT PROPERTY TAX LAW CHANGES

There were many changes enacted into the tax code during the 2017 legislative session, which have affected Culberson County Appraisal District in 2018. The change in the requirements to receive the homestead exemption is one of the more significant changes. The law now requires a Texas Driver's License, a vehicle registration (or affidavit of not owning a car) and a utility bill all with the address for which an exemption is being requested.

Another change to the exemption law is regarding the completely disabled veterans. If the completely disabled veteran should die, the spouse of the veteran is entitled to the exemption until he or she remarries.

Senate Bill 1505 made changes to the methodology in the calculation of oil and gas for the appraisal of these properties.

House Bill 2387 revised the law by clarifying that the general counsel employed by the district does not work for the chief appraiser, but works for the board of directors and will work at the board's discretion.
